Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Original. Language: English . Brand New Book ***** Print on Demand *****.The Conjure Woman, as first published by Houghton Mifflin, was not wholly Chesnutt s creation but a work shaped and selected by his editors. This edition reassembles for the first time all of Chesnutt s work in the conjure tale genre, the entire imaginative feat of which the published Conjure Woman forms a part. It allows the reader to see how the original volume was created, how an African American author negotiated with the tastes of the dominant literary culture of the late nineteenth century, and how that culture both promoted and delimited his work.
