Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Shambhala. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. In this book, psychotherapist David Richo explores how we replay the past in our present-day relationships and how we can free ourselves from this destructive pattern. We all have a tendency to transfer potent feelings, needs, expectations, and beliefs from childhood or from former relationships onto the people in our daily lives, whether they are our intimate partners, friends, or acquaintances. *When the Past Is Present* helps us to become more aware of the ways we slip into the past so that we can identify our emotional baggage and take steps to unpack it and put it where it belongs. Drawing on decades of experience as a psychotherapist, Richo helps readers to: Understand how the wounds of childhood become exposed in adult relationships and why this is a gift Identify and heal the emotional wounds we carry over from the past so that they won't sabotage present-day relationships Recognize how strong attractions and aversions to people in the present can be signals of our own unfinished business Use mindfulness to stay in the present moment and cultivate authentic intimacy This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
