

Strangers in Their Homeland: A Critical Study of Israel's Arab Citizens (Paperback)

By Ra'anana Cohen

Sussex Academic Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Too little is written about the ethnic-nationalist identity crisis between the State of Israel and its Arab citizens which becomes intensified with every regional event -- from the US invasion of Iraq, to the second Lebanon war. The author addresses this lacunae by providing a detailed account of the situation of the Arab population of Israel: their political and electoral ambitions, their extended families/tribes, their lands, their political personalities, their society, and their hopes for the future. Beginning with the time when the Arabs were encouraged to belong to satellite factions under the auspices of the Labor Party, up to the fiercely nationalist Arab parties of today, former Member of Israel's Knesset and Cabinet Minister, Dr Ra'anana Cohen examines the political changes that have taken place in the Israeli Arab community over recent decades. His unparalleled viewpoint and access as a researcher, and as former head of the Labour Party's Minorities Commission, provides Israel's decision-makers with meticulously researched data on the political and national challenges that need to be addressed as they take a long overdue look at how better to...
