[Product Description: This book is illustrated with color photographs, and provides bird watchers information to become acquainted with the kite, its life cycle, and its history with humans. Under various folk names, including Blue Darter, Grasshopper Hawk, and Mosquito Hawk, the Mississippi Kite ranges throughout the southern United States from the coasts of the Carolinas to the plains of the Southwest. The authors describe all aspects of the kite's life cycle, from breeding and nesting, raising young, and hunting and feeding to the kite's annual winter migration to South America. They also trace its intriguing relationship with humans, from its discovery by Europeans in the nineteenth century to the present day.]
