Reviews

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

Taylor Francis Ltd, United Kingdom, 2012. Hardback. Condition: New. New.. Language: English . Brand New Book. Thomas H. Ogden is the winner of the 2004 International Journal of Psychoanalysis Award for the Most Important Paper of the year and the 2010 Haskell Norman Prize - an international award for outstanding achievement as a psychoanalytic clinician, teacher and theoretician . Thomas Ogden is internationally recognized as one of the most creative analytic thinkers writing today. In this book he brings his original analytic ideas to life by means of his own method of closely reading major analytic works. He reads watershed papers in a way that does not simply cast new and discerning light on the works he is discussing, but introduces his own thinking regarding the ideas being discussed in the texts. Ogden offers expanded understandings of some of the most fundamental concepts constituting psychoanalytic theory and practice. He does so by finding in each of the articles he discusses much that the author knew, but did not know that he or she knew. An example of this is how Freud, in his conception of the unconscious workings of mourning and melancholia, was providing the foundation of a theory of unconscious internal object relations. Ogden goes on to provide further re-readings of classic material from the following key contributors to contemporary psychoanalysis: * W. R. D. Fairbairn * Donald Winnicott * Wilfred Bion * Hans Loewald * Harold Searles. This book is not simply a book of readings, it is a book about reading, about how to read in a way that readers actively rewrite what they are reading, and in so doing makes the ideas truly their own. The concepts that Ogden develops in his readings provide a significant step in the reader s expansion of his or her...
