How to Win in the Chess Openings

By I. A. Horowitz

Touchstone. Paperback. Condition: New. 192 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. International Master Al Horowitz goes through every major chess opening system and provides just one line of play for White, one line of play for Black, and the reason for each move by White or Black. This book will not show the reader how to win every game, but it will provide an easy route which will enable the player to get a reasonable, playable position out of the opening with good winning chances, even against the strongest opponents, without having to memorize a bunch of opening lines. I am reprinting this book because I learned more useful information from this book than any other chess book I ever read. I memorized the entire book, every move in it, when I was 14. The way I was able to remember the entire book was that, for every move in the book, a reason for the move was given. So, if I was trying to remember what the next move was, I would remember the reason for the move. Once I remembered the reason for the move, then I could figure out what the move was. All of the lines...

Reviews

Completely essential read pdf. It is definitely simplistic but shocks within the 50% of your book. Its been designed in an exceptionally straightforward way which is simply following i finished reading through this publication in which actually changed me, change the way i believe.
