

## Psychology and Culture: Thinking, Feeling and Behaving in a Global Context (Paperback)

By Lisa Vaughn

Taylor Francis Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With increasing globalization, countries face social, linguistic, religious and other cultural changes that can lead to misunderstandings in a variety of settings. These changes can have broader implications across the world, leading to changing dynamics in identity, gender, relationships, family, and community. This book addresses the subsequent need for a basic understanding of the cultural dimensions of psychology and their application to everyday settings. The book discusses the basis of culture and presents related theories and concepts, including a description of how cognition and behavior are influenced by different sociocultural contexts. The text explores a broad definition of culture and provides practical models to improve intercultural relations, communication, and cultural competency. Each chapter contains an introduction, a concise overview of the topic, a practical application of the topic using current global examples, and a brief summary. This up to date overview of psychology and culture is ideal reading for undergraduate and graduate students and academics interested in culturally related topics and issues.
