DC Books,Canada, Canada, 2009. Paperback. Condition: New. Language: English . Brand New Book. In Fish Bones, Gillian Sze takes a random walk through the art museum and finds the drama of life framed in a series precisely rendered and moving artefact poems. Working from Jeanette Winterson s idea of a constant exchange of emotion between the artist, the painting, and the writer, Sze s ekphrastic verse is unrelenting in its commitment to action, so that each poem sparked by a picture comes to follow its own impetus, the origin of which is always a deeply felt encounter, whether familial, erotic, or strange. Vacillating deftly between the suspended space-time of a museum exhibit and the charged urgency of the lives she imagines via the art she describes, the result is a collection at once stirring and arresting, tender and coolly true.
