Lavinia Thacker has a voice like an angel s, and she happily sings for anyone who asks. The first time she sees the young Duke of Monsey, it is at a party being hosted in the inn s large dining hall for a local councilman s daughter. From that first look, she knows there is something between them, so when she is invited to sing at his birthday party, she is at once delighted and afraid. Why does she feel as though she knows him, when she has never met him before? Or at least, she doesn t remember having done so. But then again, she doesn t remember much beyond the last year and a half. The accident from which she had awakened eighteen months earlier had left her with a terrible scar down her left side, and no memory of anything before she woke up. Is the Duke a part of her past? Does her husband know about it? And how will she handle falling in love with a man who is not her husband or of her social class? The old Duke of Monsey had plans for his only child, Robert, which did not include his marrying a commoner. But Robert is headstrong, and before the duke can stop it, his son and Lavinia Aston are married. Despite his rage at their action, the duke loves his son, and will not disinherit his true heir, or let his lands and fortune go to the oldest son of his deceased younger brother. His solution involves deception and kidnapping, and a stint at the front for his son. But when Robert returns home wounded, it is to find his father...
