Brand New Book ***** Print on Demand *****.Excerpt from Sixty-Eighth Annual Report of the Superintendent of Public Instruction of the State of Michigan: With Accompanying Documents for the Year 1904 The report of 1901 gave a full discussion of the use of the State Manual and Course of Study in our rural schools and presented the matter of the supply and training of rural school teachers. Since that time the legislature has passed a law providing for the county normal training class which we believe will be a large factor in solving our school problems. In the report for the year 1902 the subjects of the consolidation of rural schools and manual training in the rural schools were presented, also, as the legislature had passed a law permitting the transportation of pupils to and from school, a clear statement was made of the proper procedure for school districts in the consideration of the subject of consolidation. This report calls attention to the fact that the rural school question had been thoroughly discussed in the meetings of the State and local granges and in the farmers clubs, and Report for that...
