Radmila is a Dispensation star determined to forget her past by building a glittering, impregnable future. Vera is an Acquis functionary dedicated to reclaiming their home, the Croatian island of Mljet, from catastrophic pollution. Sonja is a medical specialist renowned for selflessly risking herself to help others. And Biserka is a one-woman terrorist network. The four sisters are united only by their hatred for their mother - and for one another. When evidence surfaces of a coming environmental cataclysm, the Dispensation sends its greatest statesman - or salesman - John Montgomery...
