The #1 Best-Selling Clean Eating Book If you have bought this book, out of curiosity-then you will be happy, because you will learn a lot about clean eating here. You will be introduced to the concept of clean eating - although I am sure that you may already have an idea about it; whether you already know it or not. Clean eating is not a NEW concept, in fact, it has been touted everywhere but the difference lies in the many ways that you can achieve a healthy lifestyle. Clean eating in a way has consolidated all the possible ways that you could introduce healthy eating into your lifestyle. In this book there are many things that you will learn. This Book is divided into two parts. The first part is where you will learn the basics, such as what clean eating is all about, how to go about clean eating, plus some tips and tricks. After learning what clean eating is all about, you are ready to proceed with Part II. In part two, you will not only have a 1-week meal plan - where you are provided with a 7-day meal plan complete with recipes to help you kick start a healthy lifestyle and lose unwanted weight fast - you will have a full week of clean eating plan too! This means that instead of preparing, haranguing...
