## A STEPPING-OFF PLACE: HEALING PROSE

iUniverse, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

SCORCHED MEMORIES I want to write a happy poem, but I Can t compose that sound- That sound, like a desperate fire truck s Sirens piercing the atmosphere: An angry, screaming warison, Charging toward desolation but carrying hope. I can t compose a happy poem to speak Of the joy a woman obtains, in accepting a Righted wrong committed against her Or the way her melting heart feels When receiving the long awaited, Overdue apology, after bitterness has mollified it. On the heels of her first book, Far From Adequate Recompense, author K.M. Miller offers another collection of thought-provoking poems about unrequited love, the reality of growing old, and social injustice. A Stepping-Off Place: Healing Prose, is a haunting observation into Miller s beleaguered thoughts and a tribute to the healing power of the written word. Meaningful and clever, Miller s poems share both the process of mending her soul, and the wisdom she s gathered along the way.
