Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Dust Before the Wind, Vol. 1 of 2: A Novel Con But that is just the gist of the matter. It did so happen. Why suppress all that is extraordinary in daily existence? If, on the contrary, we note it carefully, as doctors and other scientific men do facts that come under their observation, we shall get nearer what we infants in the night are crying for - the Light of Truth. Pro (sarcastically): Perhaps you would like a fact I can vouch for also, as being strictly true. It is a recent Irish story. Two young fellows who were moonlighters suspected a boy of informing upon them. So they asked him to come out for a walk one evening and murdered him in a lonely valley, where two roads met. A year or so later their father was thrown from his gig, driving by that same spot, and killed. When the old priest heard of it - probably knowing the previous story through the confessional - he raised his hands, exclaiming The ways of God are wonderful!
