Shakespeare sfool, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Read me.Read me.Read me and be hypnotized by me. Let your intellectual nipple be open and free so I may tickle it. You may ask yourself in reading this, Where exactly is my intellectual nipple? Then you may say to yourself, Well, if I don t know where my intellectual nipple is then I guess I m not very intellectual, and you would be right, you aren t. But the intellectual nipple is quite elusive and ironic, and it is just that last thought that may help you to discover your intellectual nipple. Cary Smith will take you on a ride down his life and mind (and it won t be as creepy as it sounds). Along the way you may giggle, you may hate, you may love, and most likely in the amount of time it will take you to read this book, you will fart.this book does not consider itself prestigious or boring enough to deny that fact. Cary Smith will guide you along the way to possibly having your intellectual nipple tickled. Brad Cruise will uninvitingly add stuff to the text and make corrections as a special guest corrector. And most importantly, your intellectual nipple will be tickled, maybe? And according to Brad Cruise, the key to finding out where your intellectual nipple is is to realize that Cary Smith is poop and a writer not worthy of the very worthy literary world which sometimes makes people very sleepy. Once you have this realization your intellectual nipple will bask in tickling pleasure. (That is, if you consider tickling to be pleasurable, because many people don t, and, in fact, many find it torturous.) Just a warning from this summary:...
