

Transgender Psychoanalysis: A Lacanian Perspective on Sexual Difference (Paperback)

Filesize: 3.06 MB

Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Patsy Blanda)

TRANSGENDER PSYCHOANALYSIS: A LACANIAN PERSPECTIVE ON SEXUAL DIFFERENCE (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Drawing on the author's clinical work with gender-variant patients, *Transgender Psychoanalysis: A Lacanian Perspective on Sexual Difference* argues for a depathologizing of the transgender experience, while offering an original analysis of sexual difference. We are living in a trans moment that has become the next civil rights frontier. By unfixing our notions of gender, sex, and sexual identity, challenging normativity and essentialisms, trans modalities of embodiment can help reorient psychoanalytic practice. This book addresses sexual identity and sexuality by articulating new ideas on the complex relationship of the body to the psyche, the precariousness of gender, the instability of the male/female opposition, identity construction, uncertainties about sexual choice-in short, the conundrum of sexual difference. *Transgender Psychoanalysis* features explications of Lacanian psychoanalysis along with considerations on sex and gender in the form of clinical vignettes from Patricia Gherovici's practice as a psychoanalyst. The book engages with popular culture and psychoanalytic literature (including Jacques Lacan's treatments of two transgender patients), and implements close readings uncovering a new ethics of sexual difference. These explorations have important implications not just for clinicians in psychoanalysis and mental health practitioners but also for transgender theorists and activists, transgender people, and professionals in the trans field. *Transgender Psychoanalysis* promises to enrich ongoing discourses on gender, sexuality, and identity.
