Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are you ready to discover the SECRETS of Blockchain Technology ? Would you like to learn what the blockchain is and how it can be used in the FINANCIAL WORLD, as well as in NON-FINANCIAL SECTORS of industry? If you answered YES! then THIS is the book for you! Using terminology that is aimed at a non-technical reader, it gives those without a tech background an opportunity to understand how the blockchain works and how it will change the lives of everyone in the entire world. From simple businesses, all the way to Wall Street; from the rolling green hills of Scotland, all the way to Hong Kong; The Blockchain will make daily impacts on the lives of billions of people. Never before has there been a way to safely and securely transmit data that is not only easily, the most accurate and tamper-proof, but also the fastest and most efficient method of any type of data transfer that has ever been imagined. Starting with Bitcoin, the controversial, volatile cryptocurrency that made us all aware of the power of the blockchain, we begin by looking into its infancy, where it was considered a joke and made fun of as nothing more than a novelty and a waste of time and then follow it through ups and downs, more jokes and laughter, only to arrive at the present. A present where Bitcoin is more valuable than an ounce of gold and has carved its path into the global economy so deep that it is forever cemented as the game changer. From Bitcoin came hundreds of other altcoins, cryptocurrencies with the same basic values of Bitcoin, built on various different technologies. This explosion of...
