2050: BEING HUMAN IN THE FUTURE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered what the future will look like? Have you ever wondered what technology and innovation is round the next corner and whether it ll provide an existence of joy, happiness and abundance or danger, instability and tragedy? Jay Wheeler lays out some of the most out there theories and potential outcomes (good and bad) of our future. which will stretch your imagination to its farthest limits. From the history of the human timeline to the exponential growth of technology, science, innovation and the singularity we are fast approaching. From basic computers to artificial intelligence that can beat the greatest chess grand masters alive and a future super intelligence. Explore immortality and living without age, pain, poor mobility or limits. Go back 65 million years to the dinosaurs before jumping into the near and distant future and why Jay believes death will be optional in a few short decades. 2050: Being Human In The Future will take you on a wild ride of technology, physics, possibility and theory, where interstellar travel, immortality, virtual reality, superhumans, control of the universe and unlimited power is something we consider normal.
