Within the souls of each person, there is an irrepressible inspirational nudge to fulfill the Divine plan. May each inspiration become a light unto your path of self discovery. May each expiration become a conscious decision to let go of any and everything that is unlike the Mother/Father consciousness that might be holding you back from the purposeful plan that you were created to express. Today and everyday of my life, I use my breath as a reminder that my body is the temple of the Holy Spirit. I will dedicate the life I have been given to the glory of God who lives and express through me for the unending grace and greatness of the Divine inspiration that I am. And So It IS.
