

The Enhancer

By Teresa McCullough

Paperback. Condition: New. 204 pages. When Meeral left her small village to go to Pactyl, she wanted to escape her mothers scandalous past and find work. She tried to be anonymous and fit in, but that only worked until war came. Meeral found herself at odds with the defenders of Pactyl because her magical skill of enhancing was more powerful than their army. She learned that she could not escape her mothers past, but she could make a place for herself and find love. An inventive tale whose imaginative heart lays in its strong female communities of artisans and magicians. The women who possess the magical skill of enhancing the strength of other human beings, as well as the power to move inanimate objects, form a powerful and subversive force in the midst of this fantasy worlds male-dominated society. The novels Cinderella-style romance takes a backseat to the clever crafting of the heroine Meeral and her loyal twin sidekicks. -K. M. Bonin This item ships from multiple locations.
