SONGS FROM THE DRAMATISTS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An excerpt from the author s ADVERTISEMENT. THIS volume contains a collection of Songs from the English Dramatists, beginning with the writer of the first regular comedy, and ending with Sheridan. The want of such a collection has long been felt, and that it has never been supplied before must occasion surprise to all readers who are acquainted with the riches we possess in this branch of lyrical poetry. The plan upon which the work is arranged furnishes the means of following the course of the drama historically, and tracing in its progress the revolutions of style, manners, and morals that marked successive periods. The songs of each dramatist are distributed under the titles of the plays from which they are taken; and the plays are given in the order of their production. Short biographical notices, and explanatory notes, have been introduced wherever they appeared necessary or desirable; but all superfluous annotation has been carefully avoided. The orthography of the early songs has been modernized, in no instance, however, to the loss or injury of a phrase essential to the coloring of the age, or the structure of the verse. The old spelling is not sacred; nor can it be always fixed with certainty. It was generally left to the printers, who not only differed from each other, but sometimes from themselves. By adopting a uniform and familiar orthography, the enjoyment of the beauties of these poems, the most perfect of their class in any language, is materially facilitated. In the preparation of this volume, all known accessible sources have been explored and exhausted. The research bestowed upon it cannot be adequately estimated by its bulk. The labour...
