BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Daniel Byrne is haunted by the future. Literally. It happened to his uncle. It happened to the woman he loves. And now it s happening to him. It started as a voice only he could hear. Then he found himself visiting another world. A world both familiar and strange. A world inextricably linked to our own. And the things he sees there, come true.here. It s a power others are willing to kill for. There s no one Daniel can trust. Nowhere to hide. Chased across the globe by mysterious assassins, he struggles to decipher the visions plaguing him. Visions of miracles and massacres, conspiracy and catastrophe. And behind it all, a powerful adversary the likes of which we ve never seen before. One thing that s clear: the universe is warning him of a cataclysmic change, an event that is either a bloody Armageddon or a shining new beginning. Daniel thinks he can see the answer--and maybe even change the outcome, before it s too late. But there s a fine line between messiah and madman.
