

## American Rhapsody (Hardback)

Filesize: 1.3 MB

### **Reviews**

*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## AMERICAN RHAPSODY (HARDBACK)

Farrar, Straus Giroux Inc, United States, 2016. Hardback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. Claudia Roth Pierpont expertly mixes biography and criticism, history and reportage, to bring these portraits to life and to link them in surprising ways. It isn't far from Wharton's brave new women to F. Scott Fitzgerald's giddy flappers, and on to the big screen command of Katharine Hepburn and the dangerous dames of Dashiell Hammett's hard-boiled world. The improvisatory jazziness of George Gershwin's Rhapsody in Blue has its counterpart in the great jazz baby of the New York skyline, the Chrysler Building. Questions of an American acting style are traced from Orson Welles to Marlon Brando, while the new American painting emerges in the gallery of Peggy Guggenheim. And we trace the arc of racial progress from Bert Williams's blackface performances to James Baldwin's warning of the fire next time, however slow and bitter and anguished this progress may be. American Rhapsody offers a history of twentieth-century American invention and genius. It is about the joy and profit of being a heterogeneous people, and the immense difficulty of this human experiment.
