Brand New Book ***** Print on Demand *****.The Trace and Write Alphabets and Sentences for Beginning Writers workbook, provides extensive focus on alphabet formation for the beginning writer. This children s handwriting and alphabet practice workbook will also introduce beginning writers to short sentence formation using punctuation. This penmanship workbook will help increase your student s ability to: -Print uppercase and lowercase letters of the alphabet and recognize the difference between the two. -Write from left to right and top to bottom of page. -Recognize spacing between letters and eventually words. -Understand the concept of writing letters. -Write words and brief sentences that are legible. -Write his/her own first and last name and other important words. Some neurologists advocate writing to learn. One states, The practice of writing can enhance the brain s intake, processing, retaining, and retrieving of information. Through writing, students can increase their comfort with and success in understanding complex material, unfamiliar concepts, and subject-specific vocabulary. Since preschool, kindergarten, and 1st grade students do not have to prepare for standardized tests and classroom assessments, focus can instead be placed on their literacy...
