

Rimbaud: Complete Works, Selected Letters (Paperback)

Filesize: 2.39 MB

Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).
(Michel Halvorson)

RIMBAUD: COMPLETE WORKS, SELECTED LETTERS (PAPERBACK)

The University of Chicago Press, United States, 2005. Paperback. Condition: New. New edition. Language: French,English . Brand New Book. The enfant terrible of French letters, Jean-Nicholas-Arthur Rimbaud (1854-91) was a defiant and precocious youth who wrote some of the most remarkable prose and poetry of the nineteenth century, all before leaving the world of verse by the age of twenty-one. More than a century after his death, the young rebel-poet continues to appeal to modern readers as much for his turbulent life as for his poetry; his stormy affair with fellow poet Paul Verlaine and his nomadic adventures in eastern Africa are as iconic as his hallucinatory poems and symbolist prose. The first translation of the poet's complete works when it was published in 1966, *Rimbaud: Complete Works, Selected Letters* introduced a new generation of Americans to the alienated genius - among them the Doors's lead singer Jim Morrison, who wrote to translator Wallace Fowle to thank him for rendering the poems accessible to those who don't read French that easily. Forty years later, the book remains the only side-by-side bilingual edition of Rimbaud's complete poetic works. Thoroughly revising Fowle's edition, Seth Whidden has made changes on virtually every page, correcting errors, reordering poems, adding previously omitted versions of poems and some letters, and updating the text to reflect current scholarship; left in place are Fowle's literal and respectful translations of Rimbaud's complex and nontraditional verse. Whidden also provides a foreword that considers the heritage of Fowle's edition and adds a bibliography that acknowledges relevant books that have appeared since the original publication. On its fortieth anniversary, Rimbaud remains the most authoritative - and now, completely up-to-date - edition of the young master's entire poetic oeuvre.
