Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Dictionary of Education and Instruction: A Reference Book and Manual on the Theory and Practice of Teaching, for the Use of Parents, Teachers, and Others The Cyclop dia of Education, the only publication of the kind in the English language, has now been before the public about four years, during which time this work has secured the unqualified approval of the most eminent and experienced educators and official authorities both in America and abroad. This is all the more satisfactory, as much of the commendation bestowed has resulted from a careful study and constant use of the Cyclop dia as an educational guide. But while the Cyclop dia has been thus cordially welcomed and commended, a demand has been expressed, with increasing urgency, for a smaller work of a similar character, that, excluding matter of only occasional interest and value to the professional teacher, may contain solely what is of every-day need; and which may be obtained at a moderate cost, and yet supply a large amount of information on a great variety of subjects, such as could be obtained only with considerable difficulty from large and expensive works. To meet this demand the Dictionary of Education and Instruction is now offered to teachers and all others interested in education and instruction, - school-officers, parents, and the public in general. The Dictionary is, in the main, a compilation of the articles embraced in only one of the eight departments contained in the Cyclop dia; namely, those on the Theory of Education and Instruction (Pedagogy and Didactics) which are designed to comprehend a consideration of the principles of education, in each of its departments, with...
