

## Make Your Own Beer and Cider

By Paul Peacock

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Make Your Own Beer and Cider, Paul Peacock, Less than 200 years ago, beers, ciders and a myriad collection of country wines were generally brewed at home. Beer, whether it was 'best' or 'small' was drunk by everyone in preference to water. Beer and cider nourished, as well as slaked thirst. With just a few utensils you can make your own tax-free beer, cider and country wine. Inside this book you will find recipes ancient and modern, some as simple as dissolving malt extract in sugary water and adding yeast. You can also read the best ways to get really professional results from kits. More than anything you will find really tasty, excellent beers and ciders and home-made wines to quench your thirst for a decade to come. There are recipes for stouts, ales, beers (and the difference between them explained); and for lagers, fruit beers, and ciders of many kinds including rough, orange, scrumpy, perry, natural and yeasted. Also included are the fundamentals of tasty home-made wine-making showing you how to make amazing wine from the contents of your fruit and vegetable garden. Contents: 1. Drinking responsibly; 2. Basics...

### Reviews

*A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.*

-- Dalton Mertz

*It in one of the most popular publication. It is actually writter in easy words instead of confusing. You will like how the author create this book.*

-- Art Gislason
