Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Synopsis: The question of God's relationship to evil is a long-running one in the history of Christianity, and the term often deployed for this task has been theodicy. The way theodicy has historically been pursued, however, has been problematic on a number of counts. Most significantly, these efforts have generally been insufficiently theological. This work hopes to subvert and reconfigure the theodical task in a way that can be accessible to nonspecialists. Overall, the book hopes to cast the god of theodicy as the triune God of Christian confession, a move that shapes and alters distinctly all that follows in what has traditionally been considered a philosophical matter. Castelo writes as a Christian theologian fully committed to practicing discipleship. The questions he faces are no mere abstractions, but the stuff of life. Castelo knows exactly when to speak with bold clarity and when to remain reverently silent. Anyone who reads this book will do so with great profit. --Stephen Rankin, Southern Methodist University Theological Theodicy is a richly textured and accessible exception to the rule of failed theodicies. Informed by the Catholic spiritual-doctrinal tradition and fired by Pentecostal sensibilities, Castelo faces troubling questions...
