Beginning One of the greatest mysteries confronting the United States, Great Britain and the free world is how is terrorism getting funded One of the most likely theories being discussed is that the money is coming from either hidden Swiss bank accounts andor Saudi Arabia. The CIA is out to prove that just prior to the beginning of World War Two starting in 1937; the Swiss Banks collaborated with the Third Reich in hiding the gold stolen from the Jews. In 2001, the United States learned that the Swiss had protected an International Bank that handled finances for Osama Bin Laden. One of them, the Bahrain International Bank, had funds transiting through non-published accounts of Clearstream, which has been qualified as a bank of banks and was involved in one of Luxembourgs major financial scandals. Middle Ultimately, CIA agent Montana Style is able to prove that the Swiss banks had many secret numbered accounts that contained the stolen money, taken from the persecuted Jews and is indeed the money being used by Al Qaeda to fund world terrorism. The narrative tells how the United States intelligence agencies and...
