# artificial neural network infrastructure

Filesize: 8.52 MB

Reviews

Complete guideline for publication fanatics. It is writter in easy phrases rather than hard to understand. I am very happy to inform you that this is basically the finest pdf we have study in my personal life and can be he finest pdf for at any time.

(Saul Mertz)

ARTIFICIAL NEURAL NETWORK INFRASTRUCTURE

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment.Paperback. Publisher: Harbin Engineering University Press Pub. Date :2010-09-03. The book signals and information processing. pattern recognition and intelligent systems and other subjects as the background to introduce the book is simple and easy to understand language. In the end of each chapter. with key issues in this chapter gives the thinking and discussion topics to attract readers to pay more attention to these issues or in teaching are discussed. Book as a senior undergraduate students and graduate students teaching materials. and related professional and technical personnel for self-reference. Contents: Chapter 1 Introduction 1.1 Introduction 1.2 Biological neurons and biological neural networks and artificial neural About 1.3 Artificial neural network artificial neural network basics. In order to better learn the needs of artificial neural networks in the different sections of the more popular manner and introduced into the biological structure and function of the nervous system and human cognitive psychology and other characteristics of useful knowledge. Prior to the BP-type multi-layer network. Hopfield network. Boltzmann machine probabilistic networks. self-organizing feature map network and adaptive harmonic (ART) network and other basic types of artificial neural networks in a more detailed and fundamental Introduction. Thinking and discussion References Chapter 2 prior to the multi-layer networks 2.1 Introduction to artificial neural networks: single neuron perceptron classification identifier 2.2: History and concepts of 2.3 prior to the multi-layer network error back propagation algorithm: BP network 2.4 BP network and a conceptual model of teacher learning network application examples 2.6 2.5 BP radial basis function network thinking and discussion References Chapter 3 3.1 Introduction 3.2 Network Hopfield network model 3.3 Hopfield network. associative memory function 3.4 Hopfield network optimization process andFour Satisfaction guaranteed,or money...
