

Steal This Computer Book 4.0 (Paperback)

By Wallace Wang

No Starch Press,US, United States, 2006. Paperback. Condition: New. 4th Revised edition. Language: English . Brand New Book. If you thought hacking was just about mischief-makers hunched over computers in the basement, think again. As seasoned author Wallace Wang explains, hacking can also mean questioning the status quo, looking for your own truths and never accepting at face value anything authorities say or do. The completely revised fourth edition of this offbeat, non-technical book examines what hackers do, how they do it, and how you can protect yourself. Written in the same informative, irreverent, and entertaining style that made the first three editions hugely successful, Steal This Computer Book 4.0 will expand your mind and raise your eyebrows. New chapters discuss the hacker mentality, social engineering and lock picking, exploiting P2P file-sharing networks, and how people manipulate search engines and pop-up ads to obtain and use personal information. Wang also takes issue with the media for hacking the news and presenting the public with self-serving stories of questionable accuracy. Inside, you ll discover: -How to manage and fight spam and spyware -How Trojan horse programs and rootkits work and how to defend against them -How hackers steal software and defeat...
