### **Reviews**

*Certainly, this is the very best work by any writer. It is loaded with knowledge and wisdom I am just quickly will get a satisfaction of reading through a created publication.*

*(Donavon Okuneva)*

## BRAINWASHED: HOW UNIVERSITIES INDOCTRINATE AMERICA S YOUTH

Thomas Nelson Publishers, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Brainwashed is the explosive expose of the leftist agenda at work in today s colleges, revealed by firebrand Ben Shapiro, a recent UCLA graduate, syndicated columnist, and one of today s most exciting new conservative voices, who s been on the front lines of the battle for America s young minds. This book proves once and for all that so-called higher education continues to sink lower and lower into the depths of liberal madness as close-minded professors turn their students into socialists, atheists, race-baiters, and sex-crazed narcissists. Ben Shapiro s writing is smart, informative, and incisive. He is wise beyond his years without losing the refreshing fearlessness of youth. ?Ann Coulter, best-selling author of High Crimes and Misdemeanors, Slander, and Treason In Brainwashed, Shapiro tells the truth?that universities are forums of left-liberal indoctrination, where dissent is discouraged and penalized, with more restrictions on free speech rather any other part of American society. Parents who are paying for tuition might want to take note, and see what their hard-earned money is paying for. ?Michael Barone, U.S. News World report and co-author of The Almanac of American Politics Welcome to P.C. 101. In this trenchant insider s expose, Ben Shapiro bears witness to the modern American campus freak show. You ll get up close and personal with the Marxist loons, moral relativists, multicultural zealots, and American-haters who are corrupting young minds. Brainwashed reveals the ignominious lows to which higher education has sunk. Get deprogrammed. Buy this book! ?Michelle Malkin, nationally syndicated columnist and author of Invasion Sharp thinking, tight writing, crazy-but-true stories: Ben Shapiro sees campus brainwashing and raises a national protest. This is a good book to give both freshmen who need warning and voters/alumni who...
