## Gold, Gemstone and Mineral Sites of British Columbia: v. 2: Sites Within a Day s Drive of Vancouver (Paperback)

By R. Hudson

Harbour Publishing, Canada, 2006. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. The southwest region of British Columbia offers a motherlode of unique rockhounding experiences for both amateur and more seasoned prospectors. This revised and expanded edition of Rick Hudson s bestseller A Field Guide to Gold, Gemstone Mineral Sites of British Columbia opens up a whole new world of exploration within a day s drive of Vancouver. Covering the area from Vancouver inland to Princeton, Merritt and Cache Creek, and as far up the coast as Whistler and Texada Island, this well-researched guidebook will teach you where to find some of the most sought-after minerals in the province. The Coast Mountains are a treasure trove of minerals and gemstones, from gold and jade to garnet and agate. Discover amethyst next to the road or find fossil trees over a metre long. Enjoy a day hunting for quartz crystals, thundereggs, malachite, garnet, marble or amber. This comprehensive guidebook reveals a vast deposit of information including: \* Mining history and prospecting techniques\* Over 270 sites in southwestern British Columbia\* At-a-glance information on the types of minerals at each site and ease of access to them\* Colour photographs of sites...
