Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How people of ancient Biblical times responded to the passing, burial, and separation of life, is covered and highlighted with a few famous examples, in this book. When people believe in the LORD they become Gods Sealed Possession according to Ephesians 1:13-14 [KJV]. Tears may surface, and we may weep, cry, and mourn, but most often the tears flow with knowledge of God so there s nothing wrong with weeping, mourning, and crying. When people leave earth they are not going around the corner, but they cross over into the spiritual realm leaving memories with the fading and memorable sound of their voice, laughter, and joyful moments. However, the instrumental collaboration of a well-tailored and composed orchestra setting is the symphony composition. Harmoniously, the sound generates a composition of soothing, rushing, and calming melody presented with synergized results blended with different instruments. The conductor typically waves and moves his right hand holding the baton which at the end of the baton is a bulb, whereas the music is directed. With expertise, the conductor is able to communicate with the appointed orchestra accordingly with printed and organized musical notes for each participating instrument. The direction of music is undeniably captivating and soothing to the conclusion.
