

## Digimon Frontier

By Frederic P. Miller

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Digimon Frontier is the 4th Digimon TV series first broadcast in 2002. After prompted to do so by unusual phone messages, the five main characters go to a subway station and take a train to the Digital World. Once there, they meet two secondary characters, Bokomon and Neemon, who act as guides, and tell the DigiDestined that the Digital World is in danger. They must fight the antagonist, Cherubimon and his Legendary Warrior servants before they succeed in dominating the world; it's up to the children to save it. Unlike previous series, where the protagonists had their own Digimon, the DigiDestined actually transform into Digimon themselves, with each DigiDestined having a Human Spirit form and a Beast Spirit form. 84 pp. Englisch.

### Reviews

*A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.*

-- **Garett Stanton**

*Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.*
