Armchair Fiction Music, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Armchair Fiction presents extra-large editions of classic science fiction double novels with original illustrations. The first novel, Citadel of the Star Lords, is a time travel tale about a lonely aircraft and its pilot who are thrown into the future when they are caught in a nuclear blast over the Nevada desert. In this futuristic time, mankind has been reduced to stone age levels and Earth is now controlled by an advanced alien race. To make matters worse, a space invasion from another alien world is imminent. The second novel, Voyage to Eternity, is the tale of a space cadet who is drafted for a long space voyage from which no one is expected to return. The first stop is Mars, but after a series of intrigue-filled events the cadet is launched into a world far, far into the future. Lots of time travel thrills are featured in both of these exciting novels, penned by two top-of-the-line sci-fi authors, Edmund Hamilton and Milton Lesser.
