Do you continually lose money in the stock market My name is Brian Burns and I wrote this book to help you. I have studied financial markets and professional traders for multiple minutes at a time. There is one thing that all the great traders and investors have in common. One thing that links people like Jesse Livermore and Warren Buffett. This one thing is the key to being successful in the market and is explained in detail in this book; You are going to need this book. Does thinking about the money youve lost cause you to have any problems with your bladder, including frequent or urgent urination If so, aside from a scheduled visit to your doctor, you are going to need this book. There are tons of books out there about trading and investing and lets face it, reading them all would be a lot of work. I have carefully analyzed and studied most of those books, in fact, I even read a couple of them all the way through. What I have found is that there is one lesson that is the same in all investing and trading books; one crucial piece of advice that you will need to fully understand to be able to make money in the market. I explain this essential financial building block in this book, step by step. I laid it out so well that I even surprised myself. If you also want to be surprised then you are going to need this book. I almost didnt want to publish this information because its going to completely revolutionize the face of individual investing. My friends and family persisted that I follow through...
