HarperCollins Publishers Inc, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Bewitched meets Murder She Wrote in this delightful new cozy mystery series featuring Ophelia Jensen, small town librarian and reluctant psychic, and her grandmother Abby, a benevolent witch. Thirty something Ophelia Jensen wants to live a quiet life as a small town librarian. She s created a comfortable existence with her kooky, colorful grandmother Abby, and if it were up to her, they could live out their days--along with Ophelia s dog Lady and cat Queenie--in peace and quiet. But, to Ophelia s dismay, she and Abby aren t a typical grandmother/granddaughter duo. She possesses psychic powers, and Abby is a kindly witch. And while Ophelia would do anything to dismiss her gift--harboring terrible guilt after her best friend was killed and she was unable to stop it--threatening events keep popping up, forcing her to tap into her powers of intuition. To make matters worse, a strange--yet devastatingly attractive--man is hanging around Ophelia s library, and no matter how many times she tells him she s sworn off men forever, he persists. Soon this handsome newcomer reveals he s following a lead on a local drug ring, and then a dead body shows up right in Abby s backyard. And much as Ophelia would like to put away her spells forever, she and Abby must use their special powers to keep themselves, and others, out of harm s way.
