The Renaissance: A Very Short Introduction

By Jerry Brotton

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Renaissance: A Very Short Introduction, Jerry Brotton, More than ever before, the Renaissance stands as one of the defining moments in world history. Between 1400 and 1600, European perceptions of society, culture, politics and even humanity itself emerged in ways that continue to affect not only Europe but the entire world. This wide-ranging exploration of the Renaissance sees the period as a time of unprecedented intellectual excitement and cultural experimentation and interaction on a global scale, alongside a darker side of religion, intolerance, slavery, and massive inequality of wealth and status. It guides the reader through the key issues that defined the period, from its art, architecture, and literature, to advancements in the fields of science, trade, and travel. In its incisive account of the complexities of the political and religious upheavals of the period, the book argues that Europe's reciprocal relationship with its eastern neighbours offers us a timely perspective on the Renaissance that still has much to teach us today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way...

Reviews

It is easy in study better to understand. Of course, it is actually play, nonetheless an amazing and interesting literature. I am quickly could possibly get a satisfaction of reading through a published ebook.

-- **Ms. Lucinda Koelpin**

This publication is wonderful. I actually have go through and i am sure that i am going to going to study once more once more down the road. I am easily could get a enjoyment of studying a written book.
