FIFTY SHADES OF GREY to the second power meets Keisha and Jada from the Block. If you ve wondered how an ethnic girl might have handled an arrangement with an experienced white Dominant, this is your book. If you d like to see two of the sexiest TWIN DOMS in an erotica series in interracial relationships, this is most definitely your book. Aspiring recording studio owners, Keisha Beale and Jada Jameson, score a rare meeting with venture capitalist Tristan White, and are thrust into a world beyond their wildest imaginations. Street-wise Keisha is startled to realize she wants this rich white man, despite the certainty that he is out of her league. Unable to resist Keisha s sassy, irreverent, and fiercely independent spirit, Tristan knew from day one he wanted her, too-as his first African American submissive. Upper Class Jada of the Springfield Jamesons has traveled in almost the same circles as the White brothers, and has had a secret crush on Nathan White, the point guard for the Chicago Buffaloes for quite some time. Both brothers have succumbed to jungle fever, and want a little coffee in their cream. Lured by Tristan White and his offer of fronting the capital for her business in exchange for kinky sex, Keisha finds herself with no other option. Keisha is also tortured by a secret past, and her inability to come to terms with it, threatens to undermine the future of her business and their tumultuous unorthodox relationship. Erotic, amusing, and in places hilarious, the Ghetto Girl Romance Quadrilogy is part parody with a unique take on a Fifty Shades-type story that will take you even further into the BDSM...
