Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I ve always known my intuition was very strong. Since I was a young child, I had grown accustomed to sensing and knowing things that were unseen. I was born and raised in a small, southern town, in an ultra-conservative family. I often struggled to accept myself. As I grew older, my gifts became more obvious and broader in abilities. I experienced anxiety and depression as I tried to silence my calling. In the winter of 2005, I began having premonitions of my brother s passing. After his passing, he introduced me to my true calling by giving me insight to the Other Side. He has given me the most beautiful gift in my darkest hour. I would love to share the story of our incredible bond and my struggles as I learn to love myself, begin healing, and learn to accept the mysteries unfolding around me. Come with me as I Journey to the Healing Tree.
