Self Publishing Success with Kindle Createspace (Paperback)

By Academic Clinical Fellow Daniel Marks

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have read quite a few books on the subject of self publishing. This was the only one that made me laugh. That is a good thing because Daniel Marks has taken a dry subject and made it humorous yet informative! - Bill Jerrard. Being new to the world of self publishing, I am reading as many books as I can on the subject. This one had some brilliant ideas I have not seen mentioned anywhere else. Well worth the cost! - Michael Stratton Invigorating! Inspiring! Funny and packed full of useful self publishing tips! - Jenny Jo I have already published several books with Amazon Kindle. I was after information on publishing my books in paperback. This book did not disappoint. I formatted my first book in print. Thanks! - Martha Smildsin The entire time I was reading this book, I felt like the author was sitting right next to me. The great conversational writing tone made it easier to absorb the wealth of self publishing information. - Claire Smith A very detailed and deep journey through self publishing in the...

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
