Random House USA Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. In the presidential election of 2008 America seemed ready to elevate a woman to the presidency or vice presidency and with Hillary Clinton and Sarah Palin was on the verge of actually doing so. Words like inevitable and phenomenon were in the air and the political and cultural stars seemed to be aligned. Why didn't it happen? What will it take to make it happen soon? In a probing analysis sure to ignite controversy, acclaimed White House correspondent Anne Kornblut argues that the optimists are blind to formidable obstacles that still stand in the way of any woman who aims for America's highest political offices. And she makes clear exactly which strategies and common assumptions will need to change if a woman intends to break through the highest, hardest glass ceiling of all. Delving deep inside the Clinton and Palin campaigns, Kornblut reveals: the strategists mishandling of their candidates as women by failing to strike the right balance between femininity and toughness Clinton's weathering of a series of stinging gender-based attacks, until accusations of pimping out her daughter, Chelsea, finally brought her to tears that Barack Obama was celebrated for his historic win in Iowa, even though it was not the first time an African American had won a caucus, but few noticed when Clinton became the first woman to win a primary in New Hampshire that Palin was chosen solely by men, none of whom had experience in running women for office Drawing from exclusive interviews with prominent women in both parties, Kornblut pinpoints where politically ambitious American women have gone wrong and what it will take to put them on track to the ultimate prize: the presidency. Former secretary...
