Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nobody knows what starts the sap running along the twigs of a very young, tender and springlike woman's nature. In Betty's case, it is Samuel Foster Crittenden -- even though she hardly realizes it. She leaves America for a trapeze across Europe, to take in the sights, and sends him a postcard now and then . . . And then when she returns home, she finds him in dirty overalls -- for Sam has become a farmer! You can seal friends up in your heart and forget about them -- and when you take them out they are perfectly fresh and good, Betty says to herself. But they may have changed flavor!.
