Being a human in a parish filled with shifters, Colette Robicheaux has learned to be tough as nails. A hunter with the kind of lethal skills that make most men nervous, all it takes is a single hot look from Zachary Trahan to make her melt into a puddle of goo. And this tiger shifter doesn't fight fair, using his hot body and his many skills in the kitchen to melt her panties. But there's a danger in the swamps that threatens to tear them apart, an evil that could turn this hunter into prey. When chef Zachary Trahan took a break from work to hunt, the last thing he expected to find was his mate. A human huntress with a hot temper, a quick trigger finger and the kind of body destined to keep him up at night, Colette makes his tiger purr. He'll have to fight his stubborn mate, her impossible family and the threat hiding in the swamps before he can finally claim her for his own.
