SPEED READING: LEARN HOW TO READ AND UNDERSTAND FASTER IN JUST 2 HOURS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine that you have just been given the assignment of reading a book with hundreds of pages. You have only two days to complete this task and produce a written report about the reading. Would you be able to accomplish this in a timely and effective manner? The truth is, not many people are able to leverage such an accomplishment. In fact, it is assumed that only expert readers can do this, leaving the average reader struggling to get through even a few pages of a work at a time. To compensate for this, researchers have long debated that speed reading, or the ability to read rapidly by combining phrases and sentences all at once, is the key to acquiring vast amounts of information in a shorter period of time. It has also been suggested that this technique is able to improve reading comprehension when implemented effectively. Today, you can find several online courses and applications that train individuals on speed reading. These courses aim to help readers improve their ability to comprehend materials without spending extensive time on the text. A strategy such as this one is truly effective for individuals that are required to read a great deal of material. Consider college students or graduate students. The work load is almost certain to be overwhelming; and professors are less inclined to sympathize with a student simply because she is required to read many books at a time. Instead, it is up to the student to develop methods and strategies that will enable him to move through the material much more quickly while still being able to grasp the information s content effectively. Thus,...
