Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Startup Architect is Business Mindset s 3rd chapter. In this economic environment, you must pursue your dreams. Hesitate, and you get left behind. The reality in which you live requires you to build your dreams. And having the strength and structure to be authentic are key to building. Have the courage to do what you believe is best for you. Prioritize creation: take a concept and use your skills to give it palpable shape. And share it. Then create more. Success is for those who endure the challenges, and who sustain effort and momentum till creation is complete. Understand that work is who you are. Choose maturity as perspective when reflecting on life. The people you are to meet are calm and structured. You know you are there when you get there. Maintain high standards in relationships and work at all times. Know that you are them. Ensure you become them. Ensure they recognize you. Stay who you are, and do not blend with the passing environment to become what you are not. To be, your work must bring a genuine contribution to the world. Gone are the days for marketing to highlight what there is not. And it must be priced fairly. Give value. The quality you enjoy in life mirrors your contribution. Contribution mirrors development. Study, work, create. Relationships define who you are through the chances they give you to succeed. You must be worthy. People come to you, in their own ways. Words are coats. And how they respond is how they present themselves. Believe in your own value. Your work is who you are. Be self-assured, and focus on your business...
