Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE A comprehensive overview of the nutrition, health, and safety needs of young children from birth through school age, "Nutrition, Health, and Safety for Young Children: Promoting Wellness, 2/e" prepares future educators to implement healthful practices and teach young children ways to contribute to their own wellness. Through anecdotes, cases, and authentic examples, the authors use a storytelling approach that helps contextualize wellness concepts for readers, promote thinking about professional situations, and offer a glimpse into the everyday classroom environment-diverse populations of young children in family child care, child care centers, preschools, and elementary school settings. In this new edition, the text has been streamlined to 16 chapters and still covers the wide range of challenges...
