

## American Blue: Selected Poems

Filesize: 6.15 MB

### ***Reviews***

*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## AMERICAN BLUE: SELECTED POEMS

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, American Blue: Selected Poems, Elizabeth Alexander, Elizabeth Alexander is a leading American poet whose work has been inspired by a wide range of influence, from history, literature, art and music to the 'rich infinity' of the African-American experience. Her's is a vital and vivid poetic voice on race, gender, politics and motherhood. "American Blue" is her first British publication. Many of her poems bring history alive and singing into the present in highly musical, sharply contemporary narratives, which use many different forms and voices to cover subjects ranging from slave rebellions, the Civil Rights movement, Muhammed Ali and Toni Morrison to the lives of jazz musicians and the 'Venus Hottentot', a 19th-century African woman exhibited at carnivals. 'Alexander has an instinct for turning her profound cultural vision into one that illuminates universal experience.' - Clarence Major. 'In narratives sweetened by the lyric pulse and pierced through by felicitous turns of irony, Alexander chronicles the world of "black and tan". Her poems bristle with the irresistible quality of a world seen fresh. Race is present in her poems in the way that sex, class, age, even weather are present in all of our lives' - Rita Dove, "Washington Post." 'Alexander is an unusual thing, a sensualist of history, a romanticist of race. She weaves biography, history, experience, pop culture and dream. Her poems make the public and private dance together' - "Chicago Tribune." 'Alexander uses exquisite care and delicacy to explore turbulent times and feelings, Bravo!' - "Ntozake Shange." 'Alexander explores tensions inherent in gender and race and expresses the ambivalence of motherhood in jazz-inflected tones' - "Elle".
