Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Bedouin caravan traveling through the Negev desert stumbles onto the body of dying Mossad agent, Adnan Al Harirri, a momentous event that warns Western Intelligence about Chechen followers of the wayward cleric Abdul Rahman Abudaev being in possession of an MWMD, (Miniature Weapon od Mass Destruction), capable of creating enough phosgene gas to kill thousands of people in a relatively closed space. When a subliminal interrogation of a Hezbollah pilot reveals the conspiracy Ziban must die, a maddening race explodes in the search of the assassins, search laced with terror, blatant treachery in the highest levels of World Governments, and questions about the future of our democracy that will surely put ice water in the veins of anyone who gets across the Machiavellian dream of the New World Order, order without sacred religions or beloved Constitutions.
